### Murder and Suicide.

Jealous without cause, Clyde Robinson, twenty-one years old, of Belvernon, Pa., yesterday shot and instantly killed his nineteen-year-old wife, then turning the weapon upon himself, put a bullet into his own head. He died without regaining consciousness. The crime had no witnesses but the couple's two-month-old daughter, who was nursing when the first shot was fired. That the child is yet alive is a miracle. In falling, the mother plunged down a flight of stairs with the baby beneath her. Robinson fell across his wife's body, but when the child was rescued from its position it had not a scratch. The couple had a stormy married life. Ever since their wedding, which was in opposition to the Robinson family's wishes, there had been almost a perpetual round of abuse of the woman, who bore it all, excusing her husband because of his insane jealousy of her. On Thursday a dispute arose, and he gave her a beating. He used his fists and then threw a cup at her. A butcher knife followed the cup. It missed its aim and struck the baby on the head. Later they adjusted their differences, and yesterday were apparently on the best of terms. About an hour after they had gone upstairs to their rooms to talk, Mrs. Bailey, sister of the murdered woman, heard shots and hurried to the scene. When she arrived, Mrs. Robinson was dead and the man unconscious. The deed had evidently been deliberately planned.

### "All Black at the Beginning."

"God never made a white man. In the beginning all men were black, but in their wanderings on the earth many of them have become bleached. And in their unnatural pallor many of these bleached men, all of whom were made black at the beginning, now look with contempt and indifference, often with prejudice and hate—upon their brothers the negroes, who have retained the color that God gave them." Such was the declaration of the Rev. H. M. Turner, senior bishop of the African Methodist Episcopal Church, in an address in Quinn Chapel, Chicago before one of the sessions of the church's conference. The chapel was packed with negroes who are leaders in the religious work of their race, and all applauded vociferously. "What we negroes need is more education," continued Bishop Turner. "We need not only the various schools now under control of our church, but we need proper instruction imparted. We should write books of our own, poems of our own, scientific treatises of our own, in harmony with our color and our race. And don't learn songs like, 'Wash me and I shall be whiter than snow,' a song I would not tolerate sung in my presence. I do not want to be misunderstood, though, and I will say to the credit of the white man, whose race is at the same time the meanest I ever saw and the best, that wherever our race tries to rise, as a general rule, he will help us."

### A Sure Thing.

It is said that nothing is sure except death and taxes, but that is not altogether true. Dr. King's New Discovery for Consumption is a sure cure for all lung and throat troubles. Thousands can testify to that. Mrs. C. B. Van Metre, of Shepherdstown, W. Va., says: "I had a severe case of Bronchitis, but I tried everything I heard of, but got no relief. One bottle of Dr. King's New Discovery then cured me absolutely." It is infallible for Croup, Whooping Cough, Grip, Pneumonia and Consumption. Try it. It is guaranteed by E. S. Leadbeater & Sons, Druggists. Trial bottles free. Reg. Sizes 50c and \$1.00.

### Whooping Cough.

"In the spring of 1901 my children had whooping cough," says Mrs. D. W. Capps, of Capps, Ala. "I used Chamberlain's Cough Remedy with the most satisfactory results. I think this is the best remedy I have ever seen for whooping cough." This remedy keeps the cough loose, lessens the severity and frequency of the coughing spells and counteracts any tendency toward pneumonia. For sale by Richard Gibson and W. F. Creighton & Co.
